

SEMI-PRIVATE + PRIVATE SWIM LESSON AGREEMENT

Welcome to Synergy Health Club

A private swim lesson consists of one-on-one instruction with a swim instructor. A semi-private lesson consists of two-on-one instruction with two students and one instructor. Both types of lessons are taught by an experienced instructor who tailors their teaching towards your individual goals and aquatic needs. If you have any physical limitations, we recommend you see your physician prior to exercising and requesting a private swim lesson. We want your experience with our program to be fun, rewarding, and instructional. So please read the policies below and direct any questions to your instructor or the Aquatics Manager.

Payment for Services

All payments must be made prior to your first swim lesson. Payments may be made at the service desk with cash, check, or credit card. To reserve a lesson time, payment must be received. Swim instructors aren't permitted to accept any type of personal payments for services. A receipt of purchase will be attached to your copy of this agreement and submitted to the Aquatics Manager. Please check in with the service desk prior to each lesson, so they can mark your attendance.

Missed & Cancelled Lessons

To cancel a lesson without charge, you must contact the Aquatics Department at least 24 hours before your scheduled lesson. If you fail to cancel at least 24 hours in advance, you'll be charged for the full session.

Arriving Late for Lessons

It's very important to arrive on time for your lesson. If you arrive late, you'll be charged for the full session, even though you may not receive the full amount of time.
