Sundays 9:15am–10am

Non-member Pricing

1 practices weekly: \$112/month
2 practices weekly: \$200/month
3 practices weekly: \$275/month

Our new Tiny Turtles program is an intermediate swim team designed for children ages 5-7 years old. Interested swimmers will need to complete a swim assessment and gain approval from a coach, prior to registering. This is a skill and technique intensive program where the coaches spend most of their time in the water giving hands on instruction. In addition, swimmers will be offered competitive opportunities throughout the year.

Prerequisites include Freestyle (Front Crawl) 25-40 ft with rhythmic breathing, Backstroke 20 ft with out-of-water arm recovery, rudimentary Breaststroke 25-40 ft, and able to tread water, in addition to coach approval.
